A Message from Birch Knoll...

Welcome back to Wellville everyone. Paul and Diane Cormier here as your new Camp Directors. This is going to be one heck of a Summer at Camp Wellville. Diane has been coming to this little piece of heaven since she was a child. We brought our children here and now our grandsons as well. We were sad to hear that Maureen would not be steering the ship this year and decided to give it a go if the Wellville board would have us.

The people here have always been like family to us and they have welcomed us with open arms. We have been scrambling around trying to get Birch Knoll freshened up in time for the season. It will be an ongoing process and everyone has assured us that they will help out any way they can.

We would like to thank Angela Stenuis for volunteering to assist with the first few Warblers until we can get situated and take over the reins. She does a fantastic job and we hope to add some stories and fond memories that you have about this place. We love you all and want to make your stay with us a great experience. We are trying to learn and improve as we go. We've also received some great ideas for programs which we will try to incorporate this summer.

Shari Hewson, Michelle Blake and Mary Ann Fournier have done a bang-up job both cleaning up the Campfire pit area and organizing the log piles. Looks fantastic!!! Marty Stenuis and Zach Sullivan got the internet up and running again at camp which is greatly appreciated. John Dalbeck has been running around camp mowing, trimming and spotting leaks. Ron Smith, Ted Landwehr, Zach Sullivan and Tom Ruggieri have been fixing leaks and issues with cottages. Mary Anne Smith has been a cleaning whirlwind in both Pow Wow and the Craft Shed. Kathy Rowe has been "persuading" lifeguards to watch over us at the beach this summer. Butch Friend has been going above and beyond the call of duty over at Kim Kelly's compound at site 9 and Kim has been supplying items for Diane's Outpost. Wellville being Wellville!!!

Diane and I will be running the Outpost again and we will post changes in the "normal" schedule as needed for unknown bumps in the road (work schedules). There's a LOT to take in and a short period of time to do so.

Please, if you have suggestions for programs or just fun things you'd like to see here, let us know so that we can improve the experience. If anyone needs something done for the cottages or campsites let us know so we can schedule the maintenance man for smaller jobs or a professional for the more "challenging" issues that may come up during the season.

Saturday evening scoop will be a weekly get together at PowWow to pick up the Warbler and enjoy some ice cream. Great time to catch up with old friends and to meet new campers and cottagers.

Love, Paul & Diane

Camp Wellville 2022
